Southwark Council are creating new burial space at the site of the former Honor Oak Nursery at the south end of Camberwell New Cemetery (Area B), as part of a short term option within the Cemetery Strategy.

The site encompasses five parts consisting of an area of old hardstanding and contaminated land, a maintenance depot, a car park, and the access road connecting the car park to Honor Oak Park.

The Area B project will involve investigating and remodelling the site to ensure it is suitable for burials, enhance public access to the Cemetery, and adjacent recreation grounds.

Southwark Council are undertaking this public consultation exercise to provide an opportunity for local residents and stakeholders to communicate and share their views on draft proposals for the development of the site and adjacent areas.

We are very keen to hear what you think; please make sure you complete a feedback form or post your comments on to the last board before you leave!
