Healthy streets and quietway for everyone

Residents have told us there is too much through traffic on Champion Hill, and our traffic surveys confirm this. This undermines the Healthy Streets principles, particularly for a quietway. The aim is to encourage a safer and pleasant environment for walking and cycling on residential streets. We have some plans to reduce this through traffic, and we'd like to hear your thoughts on our proposals.

Join us at the following drop in session:

**Thursday 27 September, 4pm to 8pm**
