Dear Resident,

Consultation for proposed double yellow lines

Following complaints of vehicles being prevented from accessing designated parking spaces to the side of 18-30 Elephant Lane, we are proposing to implement a section of double yellow lines opposite No.4 – No.5 King Stairs Close as shown in the below plan.

There are currently no restrictions on this part of King Stairs Close, allowing free parking for all. As a result of this, there have been vehicles who double park and make it impossible for the other vehicles to access and leave safely.

As a resident, we value your feedback and would like to know your thoughts regarding these proposals. Please would you be able to visit the online survey which will take approximately 5 minutes to complete

(<https://consultations.southwark.gov.uk/environment-leisure/kingsstairscloseddoubleyellowlines>).

Alternatively, any feedback regarding this proposal can be sent to highways@southwark.gov.uk. Feedback from residents is important to us and helps shape how the final scheme would work.

Yours faithfully,

Dale Foden
Head of Highways
