Dear Sir/Madam,

Consultation for a proposed 6m motorcycle bay on Lordship Lane

Following complaints of the number of motorcycles that are parking on Frogley Road, causing disturbance to residents, we have investigated the area and decided that the proposed motorcycle bay on Lordship Lane was the best and suitable place for them to park. Most of the motorcycles that will use the bay, if not all, are associated with the restaurants on Lordship Lane for Uber Eats or Deliveroo.

There are currently short term free bays at this location and it would mean losing a 6m short term free motor vehicle bay to implement a 6m motorcycle bay.

As a resident/business owner, we value your feedback and would like to know your thoughts regarding this proposal and if you're happy if we were to implement it. Please would you be able to visit the online survey which will take approximately 5 minutes to complete - <https://consultations.southwark.gov.uk/environment-leisure/lordshipplanemotorcyclebay>

Alternatively, any feedback regarding this proposal can be sent to highways@southwark.gov.uk. Feedback from residents is important to us and helps shape how the final scheme would work.

Yours faithfully,

Dale Foden
Head of Highways
