

North Cross Road market extension

FAQs

Frequently asked questions

1. Will there be new stalls in the market? How can I get one?

All applications for all available stalls will be considered under our markets policy:

www.southwark.gov.uk/marketspolicy

2. How would the extension benefit the residents, the businesses and the market environment?

It will increase the economic development of the area, make it safer to shop and enhance the social well being of market environment, as well as encourage new traders/start up businesses and give opportunity to community stalls.

3. Will they be permanent from the outset, or can changes be made if there are problems with the result?

The road closure will be permanent once agreed. The stalls can be moved if the layout does not work.

4. For more information who can I contact?

Email: Streettrading@southwark.gov.uk or write to our office at:

Markets and Street Trading, SAST House

47 – 53 Dawes Street

London, SE17 1EL

5. When will the consultation finish – when will I see the results?

Consultation will end on 31 January 2017, results will be available in Spring 2017.
