Public Consultation

October 2015

www.southwark.gov.uk

How would the proposals benefit all road users?

- 1. Encourage speed reduction with more effective traffic calming features
- 2. Improve safety at junctions for all road users by extension of double yellow lines. (Significant number of accidents occur at or near road junctions due to poor forward visibility caused by parked cars) see plan for number of parking spaces removed at junctions.
- 3. Pathway linking Grace's Mews with Lettsom Street -
 - Change existing stepped access to ramp
 - Improve segregation between cycles and pedestrians
 - Improve safety for road users. eg new lighting / convex mirror at blind spot
