

Maydew House Redevelopment work

Newsletter Issue 2 – April 2021

Dear Residents,

This is your updated letter informing you what is occurring on Maydew House Construction Site.

- We are progressing the Survey Works of Maydew House, which include both structural investigations and a detailed measurement, to enable the design to be finalised.
- Hoarding is currently being erected around the site, where a noticeboard will be erected to keep you informed of upcoming activities
- Towards the end of April and throughout May, London Fire Brigade will be carrying out training exercises externally at Maydew House with their new, recently purchased equipment. We don't anticipate that this will cause any disruption to residents. The training exercises here are part of our collaboration with London Fire Brigade to support their working practices, and we would like to reassure residents that there are no fire safety concerns at Maydew House
- **If you would like to attend the resident engagement meeting for Maydew House an online meeting will be held on 26th April 2021 for which further information will follow on how you can attend.**

For all your queries and concerns, as well as for a future virtual meeting, please contact Evelyn Mills, our Resident Liaison Officer (RLO) or Sofia Noor, our Site Manager – their contact details are on the next page.

If you have any queries about the scheme, please get in touch with the following:

- Victoria Sheldon – Customer Relationship Officer Victoria.Sheldon@Southwark.gov.uk
- Beverley Anderson-Skyers – Contract Manager Beverley.Anderson-Skyers@southwark.gov.uk
- Cheryl Phillips – Project Manager Cheryl.Phillips@southwark.gov.uk
- Or via your Open Communities Ray.Coyle@opencommunities.org

Kind regards,
The Bouygues UK project team

Your safety is our concern

Bouygues UK takes every precaution to keep you safe throughout the construction process.

At all times, our site will be secure and surrounded by fencing but building sites can be hazardous places:

- We dig deep holes
- We erect scaffolding
- We use large, noisy machinery

Please do not enter the construction site, unless it is part of a pre-arranged visit by our project team.

- Our operatives and staff are trained to work safely

Please help us to keep you and children safe, and take extra care during the school holidays.

Considerate Constructors Scheme

Bouygues UK firmly supports the aims of the Considerate Constructors Scheme. All of our sites are registered with the Scheme, and regular visits from the Considerate Constructors monitor will help us to ensure that we continue to improve our performance in showing full respect for:

- Appearance
- Community
- Environment
- Safety
- Workforce

Please let us know if you have any concerns.

Our contact details are on the newsletter that you should regularly receive or on the site hoardings.

Maydew House is registered with the Considerate Constructors Scheme and the Site ID is 126026. If you would like further information regarding the Scheme, you can visit their website at www.ccscheme.org.uk

Standard site working hours are:

Monday to Friday: 8am-6pm
Saturday (if needed): 8am-1pm
There should be no noisy works before 9am.

Want to speak to us?

We understand you will want to know what is happening in your area. Our team is available to answer any queries or concerns you may have and are only too pleased to hear from you. If you have any community projects that you think Bouygues UK could get involved with, please contact the site team below.
