

Chimes

Wind chimes

Stone xylophone

Slide

Roundabout

Sound cushions

Sound wheel

Climbing frame

**Vision:**  
To create a play area within Pullens Park that compliments it's surroundings, and increases play potential and community interaction. To give opportunities for children to be able to slide, swing, jump bounce, climb, explore, spin, balance as part of wider imaginative play.

Talk tubes

Low tree walkway and rope swings

Swings

Seesaw

Spinning dish

Sculpture

**Surfacing palette:**  
Junglemulch (bound mulch) or similar approved is the main safety surface for the playground.

Bound mulch
