

PYNFOLDS ESTATE

PROJECT GROUP INVITATION

The Council remains committed to working with residents on our program during this period of uncertainty and will follow the advice issued by Central Government as to the precautionary measures and action to take to ensure that residents, staff, and partners are protected from the Covid-19 (Coronavirus).

Our long term commitment to building 11,000 new council homes means that the programme for delivery of these homes must continue so that there are new homes that will continue to meet the increasing housing need in our borough.

We are setting up a New Homes Project Group (NHPG) Pynfolds Estate. The Group will be made up of about nine local people who will work closely with the Council and its consultants to develop the plans for new homes.

What is involved in being part of the NHPG?

By being involved you will:

- Have a genuine say in how the scheme will develop
- Influence how the scheme fits in with the existing estate
- Get involved in your local community and meet new people
- Learn about architecture, design and the planning policy process

How will the meetings take place?

For the foreseeable future we are adapting the way we consult to remove unnecessary social contact. We will agree with you the best way to hold the meetings.
